Bob Timberlake releases his one hundred ninety-ninth print!

"Cornstack Jack"

World renowned artist and furniture designer Bob Timberlake will unveil his one hundred ninety-ninth print at his October 7th Fall Open House. Timberlake named the release "Cornstack Jack" which was reminiscent of an outdoor pumpkin feature he himself made at his studio.

FALL OPEN HOUSE

"I'm a Halloween nut and enjoy the season second only to Christmas. I had a stack of cornstalks at my studio, draped old burlap bags over it, and stuck a big pumpkin head on top.

We loved it so much that we put one up at the entrance of th gallery and everyone loved it.

We may have to do another one this year." - Bob
